

CAMP OUT FOR HUNGER

Galfand Berger Donates to Camp Out for Hunger Campaign

Each Thanksgiving season, our firm is honored to take part in 93.3 WMMR's Camp Out for Hunger campaign. The campaign is the largest single location food drive in the world - and this year marks its 27th year of existence. Partner Michael Malvey has been a dedicated leader in organizing and spearheading the firm's annual food drive for many years. Under his guidance, the initiative has grown significantly, with increasing participation from both staff and clients. We are thrilled to announce that our team came together and donated a whopping 848 pounds of food this year!

Partner Michael Malvey has led the firm's food drive for years.

The Camp Out for Hunger campaign's primary goal is to bring good and healthy meals to individuals experiencing food insecurity. If you are wondering what food insecurity is, the Department of Agriculture (DOA) defines it as a lack of regular access to enough food for each person in a household to successfully live an active, healthy life. Food insecurity affects people from all different walks of life - people of different ages, genders, races, religions, and more.

DANGEROUS TOYS

Most Dangerous Toys of 2024

Even with the holiday season rapidly approaching, it may come as a surprise to consumers that certain toys can be quite dangerous. To make sure that parents and caregivers are aware of potential product hazards, W.A.T.C.H., or the World Against Toys Causing Harm, compiles a list of the top ten worst toys each year. The organization's list serves as a sobering reminder of how something as simple as a present can lead to serious injury - or even worse. Before embarking on your holiday shopping, refer to W.A.T.C.H.'s list of this year's most hazardous toys to learn which types of products are best to avoid.

HOLIDAY SAFETY TRAVEL

Holiday Tips: Stay Safe This Season

According to the National Highway Traffic Safety Administration (NHTSA), December is a particularly dangerous month for drivers, especially during the holidays. Between Christmas and New Year's Day alone, nearly 30-40 percent of all fatal accidents involve alcohol consumption. Over the past five years, nearly 5,000 drunk-driving fatalities nationally occurred during December.

WHAT OUR CLIENTS ARE SAYING ABOUT US

"My lawyer Gabriela was very helpful since day one. She always answered my questions and kept me informed."

- J., Client of Gabriela Raful

I had an opportunity to work with Brooke Elmi at Galfand Berger, LLP. Brooke was professional, kind and respectful. She took the time to listen to my dilemma. Brooke got right to work assisting me in resolving my issue with minimal inconvenience to me. I put my complete trust in Brooke and she did not disappoint. I would definitely call Brooke Elmi and the Galfand Berger team if I have any further need for their expertise in the future. I would also absolutely recommend them to my friends and family if needed.

- L.M., Client of Brooke Elmi

"I have interfaced with many lawyers during my profession in social services and Mike Malvey was the kindest, most professional, deliberate, caring, and client-centered attorney I have ever had the pleasure to know; I feel so grateful that he handled my case."

- H.S., Client of Mike Malvey
